**Addendum # 1**

**LOI # B06251: Interpreting Services (MPA # 54)**

**Submission Deadline: 25 May 06 @ 2:00 PM (EDT)**

**Vendor Questions / State Responses:**

I understand that the State intends to make multiple awards as a result of this solicitation. If this is correct, all awarded providers can directly solicit work with the different State agencies in need of interpreting services? **Yes**

Are the State agencies required to use more than a single provider for interpreting services?  
**No.**

If that is the case are these State agencies required to open a bid solicitation different than the State Master Price Agreement? **MPA #54 is the only solicitation used for interpreting services, except for Sign Language (a different MPA). A State agency can use one, or more than one of the approved MPA 54 vendors, during the course of the contract term.**

A handwritten signature in black ink, appearing to read "Jerome D. Moynihan".
